SUPERIOR IN EVERY WAY

MAMMOTH WORKWEAR is proud to introduce the fantastic new **"Genesis"** style of workwear.

Manufactured in South Africa, the **Genesis** overall boasts more features than any other polycotton conti currently available in the workplace. Unique **'2-way palm pockets'**, a **secret 'hide-a-way pocket'** and **'5 pocket' trousers** are just three of the innovative new styling features of the **Genesis** garment. **Premium YKK vislon zips**, **triple stitching** and a **generous cut**, come standard in every garment.

Our **65/35 polycotton** garments are constructed using a **high quality 240gm fabric** which ensures greater strength, better performance and durability. Other fabric options in the **Genesis** range include **J54 SABS approved 100% cotton**, **stone washed denim**, **flame retardant** and **acid resistant fabric**.

Genesis overalls are sold as separates - jackets and trousers are sold individually to allow for a custom fit. This allows for greater flexibility and comfort for the wearer.

MAKE THE MOVE TO **MAMMOTH GENESIS** TODAY - **SUPERIOR IN EVERY WAY!**
